## SALT LAKE CITY

Litzas Pizza was founded by a gentleman named Don Hale. Don loved a rich, top-quality pizza and set out to create one. He trucked his family throughout Utah and surrounding states trying pizzas from different pizzerias [his kids loved it]. He gathered recipes here and there for pizza, spaghetti, salad dressings and garlic bread. After coming up with a product that he thought was THE BOMB, all he had to do was invent a name that would characterize his pizza.

He wanted something with zip — something that rhymed with pizza. At last he came up with "Litzas Pizza." He always thought that a name with a "z" sounded solid. Besides, it also sounded Italian. Litzas Pizza has become famous for its awesome pizza that is hand-tossed with mad skills and made from scratch with fresh dough, sauce blended with an amazing array of spices, rich mozzarella cheese and fresh toppings of meats and vegetables.

Litzas' pizza dough, pizza sauce, spaghetti sauce, garlic butter and salad dressings are all made from scratch.
